Dear Colleague,

On behalf of the organizing and scientific committees, we are pleased to announce the Call for Abstracts of the **2nd Edition of EnerSol World Sustainable Energy Forum - EnerSol WSEF 2014** taking place in Tunis-Tunisia on November 26-28th 2014.

With International Conference delegates and Exhibitors expected from all continents and representing Tunisian and International stakeholders concerned by **Sustainable Energy Solutions** (Renewable Energy and Energy Efficiency): public, private, academia, civil society and media, this International Expo Conference will include:

International Forums:

- Policy Forum
- Business Forum
- Sustainable Building Forum
- **Science & Technology Forum**
- Civil Society & Green Jobs Forum

International Exhibition

- Innovation Gallery: A2A + A2B
- Start-up Poster Gallery: A2B
- Green Square

Other Events

- Welcome cocktail
- Opening Ceremony
- Diner Gala
- Meet the Press
- Cultural Events
- Closing Ceremony
- RE site visits

The EnerSol WSEF 2014 Science & Technology Forum shall cover, during November 27th and 28th, all frontier topics within Sustainable Energy Technologies and will benefit from the international exhibition held in parallel during the three days of this international event. It includes plenary lectures and Keynote talks by eminent personalities from around the world in addition to contributed papers **both oral and poster presentations**.

You are invited to **submit your abstract** for poster and oral presentations on following topics:

- Photovoltaic Technology, Silicon Production, Photovoltaic Systems and Large Scale Photovoltaic Plants.
- Hydrogen and Fuel Cells.
- Material for energy production.
- Energy transmission systems, distribution and storage.
- Power systems, Micro-grids, Smart grids, Energy storage and Energy management.
- Cogeneration and Energy Efficiency.
- Smart and efficient energy use.
- Wind energy, Wind systems, Wind Parks integration and hydropower.
- Thermal solar energy, CSP and Geothermal.
- Biomass, Waste-to-Energy and Bio-energy.
- Emerging Trends in Renewable Energy (Thermoacoustics, etc)
- Information Technology for Energy Technology - IT for ET

For additional information on the first edition of the forum held in 2012, please refer to the EnerSol-WSEF 2012 web site; please refer to the following website: <http://www.enersol-wsef.com/>.

Publication and Awards Opportunities:

The Forum Scientific Committee offers a **unique opportunity to publish** your Conference Abstracts and Conference Proceedings Papers (4 pages) online under an **ISBN number**. Selected papers will be published in International Journals (**with impact factor**).

Two young scientist awards will be given to the best oral and poster presentations.

Key dates:

June 30th 2014 Abstract Submission Deadline

July 22nd 2014 Abstracts Acceptance Notification

December 20th 2014 Conference Proceeding & Journal Papers Due date

We look forward to receiving your abstract and to welcoming you in Tunis, Tunisia.
