

# The 2016 International Conference on Decision Aid Sciences and Applications (DASA'16)

18<sup>th</sup> – 20<sup>th</sup> July, 2016, Hammamet, Tunisia

## CALL FOR PAPERS

The Tunisian Decision Aid Society organizes the international conference on Decision Aid Sciences and Applications (DASA'16). The conference is an interdisciplinary forum for the presentation of recent developments and applications in the field of Decision Aid Sciences. This Conference aims to disseminate recent models and techniques related to decision making and decision processes through researchers and practitioners from all over the world. There will be rigorous plenary talks by invited speakers as well as contributed talks. A Doctoral Workshop for doctoral students at the early stage of their dissertation research will be organized during the conference and will include a variety of panels as well as, practical sessions on developing dissertation proposals and launching academic careers, and a meet-the-editors session.

Submitted Extended Abstracts (at most 2 pages) should be written in English and submitted online via **EasyChair**. They should clearly include: i) title, list of key-words, author(s) full name(s), affiliation(s), complete address(es), and e-mail address(es); ii) the name of the contact person who will attend the conference (in charge of the 15 minutes oral presentation); iii) the track to which you want to submit your abstract:

- Track 1: Multiple Criteria Decision Aid
- Track 2: Decision Making in Production Management
- Track 3: Decision Making in Supply Chain Management
- Track 4: Decision and logistics
- Track 5: Statistical Decision Making and Statistical Analysis
- Track 6: Financial Decision Making
- Track 7: Decision Models in Marketing
- Track 8: Decision Models in Human Resource Management
- Track 9: Decision Aid in Accounting and Auditing
- Track 10: Decision and Uncertainty
- Track 11: Optimization in Decision Modeling

Selected extended-abstracts among those presented in the conference will be considered as potential full-paper publications, subject to peer reviews, in at least 8 international academic journals.

**Important Dates:** Deadline for paper submission: **31 May 2016**

Reduced Early registration fee for student participants is 140 USD and for academic is 210 USD.

The conference will be held at the Medina Yasmine Hammamet and the conference Hotel is the 4-star resort Diar Lemdine Hotel, Located in the heart of Yasmine Hammamet.
